Another Poisoning of a Husband by His Wife.
The people of Upper Sandusky, Ohio, have been much excited by a recent poisoning case which occurred in that town. A German named Joseph Brill was sick by spells for the last year. About the first of January a physician was called in, who supposed his patient was laboring under the effects of a cold, and prescribed accordingly. On the 11th of January, in the afternoon, the physician found his patient doing well. He was summoned in haste that evening and found Brill in a dying condition. The wife of the deceased seemed to pay every attention to him during his sickness, and to be deeply afflicted at his death, and the suspicion of no one was aroused as to foul play, until the wife was married, in such indecent haste—only eight days after the death of her husband—a young German named John Rehes.
The friends of the deceased at once supposed that all was not right, and had the body disinterred and a post mortem examination held. The stomach and bowels were found in a high state of inflammation, indicating the presence of arsenic. An analysis of a portion of the stomach contents, and of the correctness of that opinion.
Dr. Irwin took the remainder of the stomach and its contents to Cincinnati, where, we are informed, a careful analysis was made by a competent chemist, and a considerable quantity of arsenic extracted.
The parties were arrested, but discharged for the want of evidence. On the return of Dr. Irwin from Cincinnati they were again arrested, and the woman held for her appearance and trial at the Common Pleas Court.

HORSE MARKET.—This market during the past week has been much brisker than before. The number of sales during the week ending yesterday was one hundred and eighty. The highest price paid was \$200, lowest \$8; average price from \$100 to \$110. The purchases were for the Southern and Eastern markets. There have been purchases here for Tennessee and Louisiana from the East. The horses sold last week were generally fine draught animals.—*Cincinnati Commercial, 5th.*

INTERESTING INCIDENT.—Miss Anna E. Carroll, a grand-daughter of Charles Carroll of Carrollton, paid a visit on Wednesday, to the Hall of Independence, in company with several friends. The lady, who is represented as being quite gifted, took much interest in the arrangements of the apartment. The descendant of the last of the signers had ample food for reflection in the old Hall.

WE learn from Mr. Tilton, Vice President of the Wabash Valley Railroad, who arrived in town last evening, that regular trains commenced running yesterday from Toledo to Peru. The road to Logansport will be opened in two weeks, and there is no doubt entertained of its completion to Lafayette during the month of May.—*Lafayette American.*

A MELANCHOLY FACT.—The New York Commercial notes an unintentional joke in that very grave document, the United States Treasury report, viz: "We find in the enumeration among the articles which we do not import, but manufacture for ourselves, 'rice of all descriptions.'"

GRAND GIFT FESTIVAL.—"Foras, fortuna juvat."—By the advertisement in another column, it will be seen that the proprietors of the great Panorama of a Voyage to Europe, have determined to add "golden" inducements, to the already attractive exhibition at Masonic Hall.—\$820 worth of valuable jewelry will be distributed to the patrons of the Panorama on next Saturday night; consisting of gold watches, chains, rings, brooches, and other fancy articles.
The exhibition is of itself, well worth the amount charged. Each ticket will admit the holder twice to see the Panorama, and also entitle him to a chance in the distribution on Saturday night. So that by an outlay of 50 cents, you not only see the best Panorama in the world twice, but also stand the chance of going away with a good gold watch in your pocket.
From the reputation these gentlemen have acquired in other cities, for punctuality and fair dealing, we may anticipate an honorable conclusion to the affair.

WE are gratified to learn that Mr. J. H. HOPKINS, late of the Indianapolis and Cincinnati Railroad, has been appointed Agent of the New York Central Railroad, for Indiana. Mr. H. is one among our best railroad men, and travellers will be delighted to know that he is now connected with one of the best roads in the Union. The Central has been fortunate in securing his services. He is a clever gentleman, an energetic business man, and highly and deservedly popular. Under his auspices the Central will get a much larger Western patronage than it has heretofore had. Mr. Hopkins will move matters in this quarter.

NEW BOOKS.—"Dreams and Realities in the Life of a Pastor," and "Home," are the titles of a couple of neatly printed volumes recently issued from the press of J. C. Derby, New York, and sent us by Messrs. Stearns & Spicer, Indianapolis. We shall embrace the earliest opportunity to read them, assured by the imprimatur of the publisher that there must be something excellent in them.
Stearns & Spicer have recently opened a house in Indianapolis, for the wholesale business exclusively. They offer unusual inducements to the trade, and will doubtless soon become a leading Western house. Their advertisements will appear regularly in the *Journal-Lafayette Journal*.
We have perused the above works, sent us by STEARNS & SPICER, and have been delighted with them. We endorse every word of compliment paid Messrs. S. & S. by the *Journal*. They have a large and fine stock, and sell them at very low prices.

EARNST LINWOOD.—This is a work of rare merit, from the pen of CAROLINE LEE HERTZ, just received at the Book Emporium of STEWART & BOWEN. The announcement of a new work by this truly celebrated Author—how dead is sufficient! It will be gladly received by all who are acquainted with her writings. We have perused it pages, and can assure her admirers they will not be disappointed in this, her last work.

WE notice through the country press that the county candidates are announcing themselves freely.

MR. ZACK disappeared mysteriously from Cincinnati, on Wednesday night last, and has not since been heard of.

KATE HAYS has lost \$27,000 by the failure of SAUNDERS, BREWER & Co., at San Francisco.

JOE BRANT, who was recently mobbed in Lexington, Ky., is now teaching school at Newcastle, Henry county, Indiana.

The State Bank of Missouri has declared a dividend of 8% per cent on the business of the last six months.
